Birthdays

[illegible]The image features a central black rectangle containing white text. The background is a complex geometric pattern of various shades of gray, composed of interlocking triangles and polygons. In the top-left and bottom-right corners of the image, there are decorative elements consisting of three overlapping, light-gray circles. The text is centered within the black rectangle and reads: "EACH OF US HAS THE SAME 24 HOURS EVERY DAY. THE DIFFERENCE IS What we do WITH THEM." The words "What we do" are written in a large, white, cursive script, while the other words are in a clean, white, sans-serif font. At the bottom of the image, centered, is the attribution "-MARY KAY ASH" in a small, white, sans-serif font.
